The extended abstract should not exceed two pages. The abstract summary paragraph should be accurate, clear and well set out and should not exceed six sentences. The extended abstract must be mailed to the workshop e-mail address (acea@guc.edu.eg) by January 24th, 2014. The submission should be in both word and pdf formats.

Keywords: Minimum of 5 and maximum of 7 key words should be provided. Single spaced, Times New Romans, 10.5 point, left and top margins, typed area.

INSTRUCTIONS

Sub-Heading
Each sub-heading should be typed in single-spaced paragraphs. Times New Romans font with a size of 10.5 point should be used. The paper size should be A4 (210 mm x 297 mm) or nearest equivalent size. The typed area should be set with top margin at 30 mm and all right, left, and bottom margins at 25 mm. The maximum number of pages is 2.

ILLUSTRATIONS

Figure xx. Load-Strain curves for specimen C12
Diagrams, figures, photographs, etc. can be in black/white or full color, but will be produced in the proceeding in black/white only. Each figure must have a brief descriptive caption (10 point). Place the caption underneath the figure. Leave two lines of space between the figure caption and the following paragraph. Number all diagrams, figures and photographs sequentially, Fig.1, Fig.2, etc. Do not use too small characters in figures and tables.

1 **Position**

Place illustrations in the order in which reference is made to them in the text, not at the end of the extended abstract, as shown in Fig.1. Please do not divide the page into two columns. Center the illustrations vertically in the middle of typed area. Small illustrations can be set side by side.
