## Form 5: Ethical Issues & AI Disclosure Form

### Part A: Ethical Declaration

If your research includes human subjects or personal data, or biological materials or animal subjects, or potential environmental impact, then please confirm that all necessary ethical approvals are or will be obtained from the relevant committees at all participating institutions prior to the start of the research.

**We hereby declare that this research will be conducted in accordance with the highest standards of good scientific practice.**

### Part B: AI Tool Usage Disclosure (Optional)

☐ We acknowledge that AI-assisted tools were used responsibly in the preparation of this application for tasks such as [e.g., language editing, literature search]. The final proposal content remains our sole responsibility.
